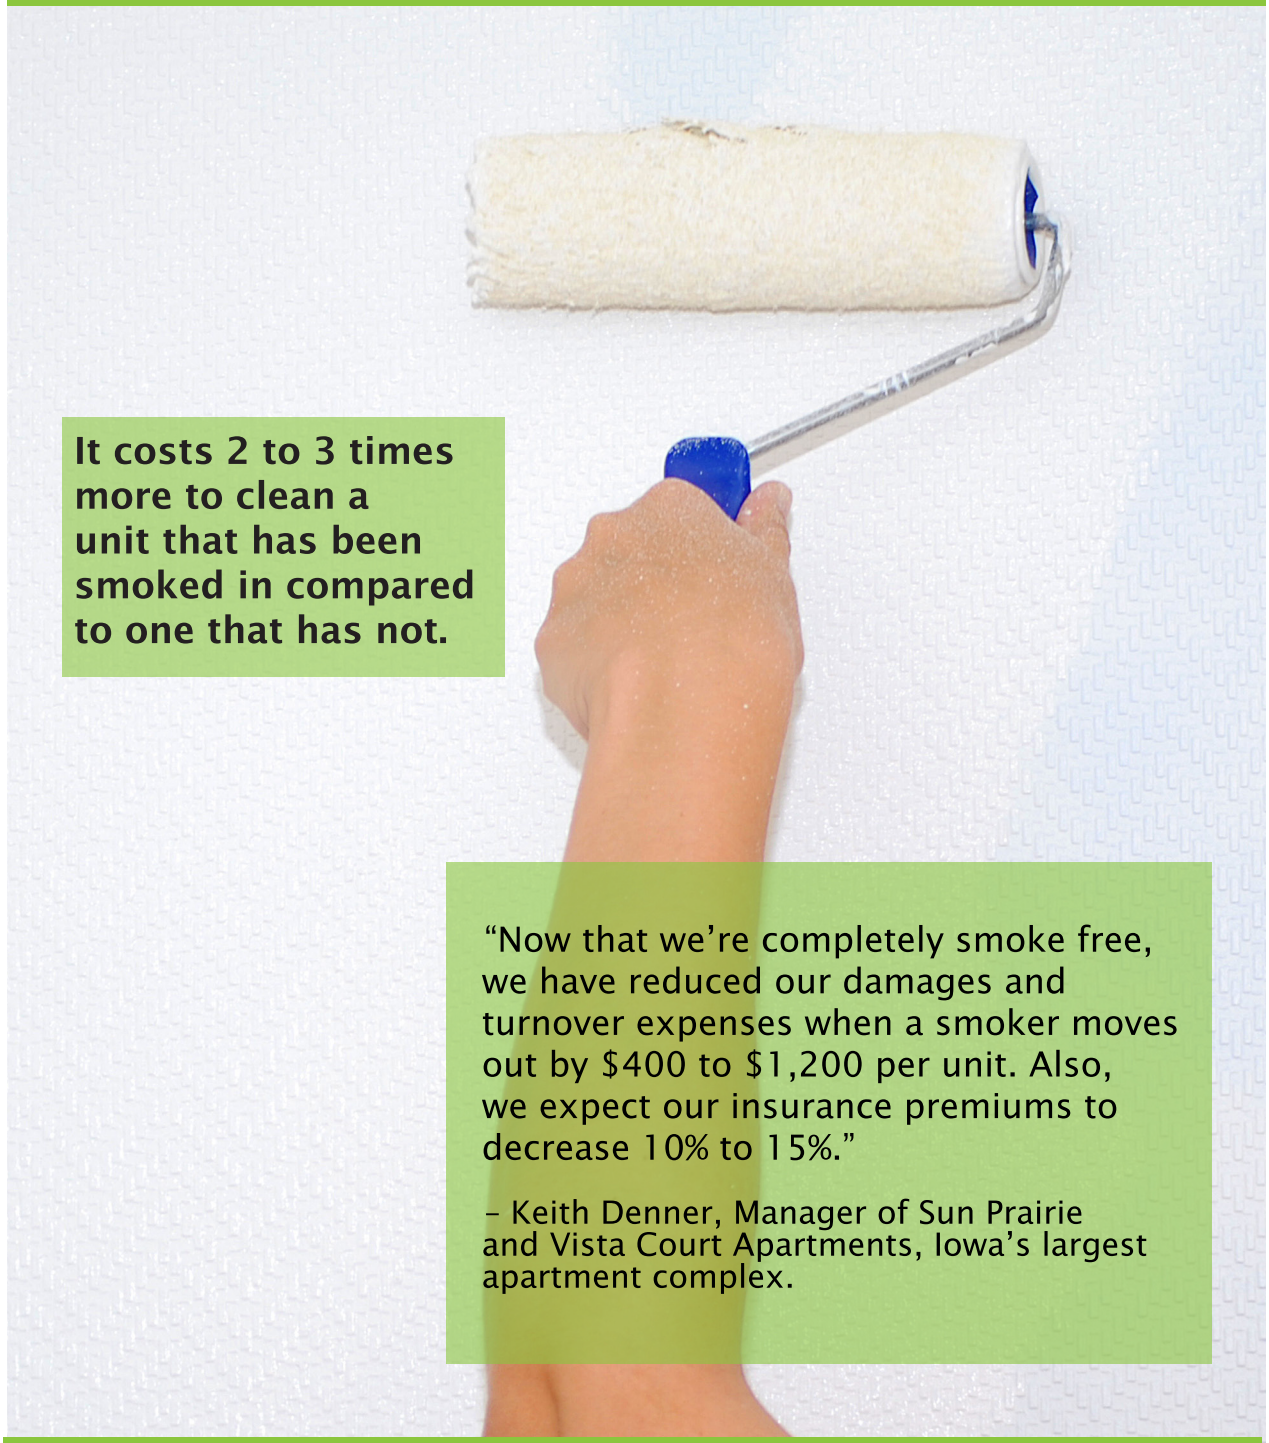
Ready to go Smoke Free?



It costs 2 to 3 times more to clean a unit that has been smoked in compared to one that has not.

"Now that we're completely smoke free, we have reduced our damages and turnover expenses when a smoker moves out by $400 to $1,200 per unit. Also, we expect our insurance premiums to decrease 10% to 15%."

– Keith Denner, Manager of Sun Prairie and Vista Court Apartments, Iowa's largest apartment complex.
