Welcome to IBHRS!

Iowa Behavioral Health Reporting System (IBHRS) fulfills what was set in motion by Senate File 2425 (2008) and House File 811 (2009) when the Iowa Legislature directed IDPH to align SUD and problem gambling (PG) treatment systems. IBHRS fully integrates SUD and PG data reporting and includes extensive validation rules to ensure IDPH data standards are met.

The new IBHRS Home Page[1] has been created where all information and documentation on IBHRS can be found.

Frequently Asked Questions (FAQs)

FAQs related to IBHRS training, technical assistance and/or system requirements will be managed by the IDPH Project Manager and FEI Onboarding Coordinator. Questions and Answers will be updated on a regular basis, and captured within the IBHRS FAQ Subpage. Please submit all IBHRS related questions via email to the SAPG Data Help Desk at SAPGData@idph.iowa.gov.
