FAMILY PLANNING SERVICES IN IOWA

Iowa has many health clinics that offer family planning services. This brochure gives information about family planning clinics that are supported and sponsored by the Family Planning Council of Iowa and the Iowa Department of Public Health.

Services at public Title X family planning clinics are available to all Iowa residents regardless of religion, race, color, age, gender, number of pregnancies, or marital status.

MEDICAL SERVICES

- Birth control exams and supplies
- Tests and treatment for sexually transmitted diseases (STDs)
- Infertility exams, counseling and referral
- Tests for high blood pressure and anemia
- Pregnancy tests

HEALTH EDUCATION

- Birth control methods
- Reproductive health
- Self exams for breast and testicular cancer
- Sexually transmitted diseases and HIV/AIDS
- Importance of nutrition
- Effects of alcohol, drugs and tobacco on reproductive health

COMMUNITY EDUCATION

- Public speakers and educational materials
- Parent-child communication
- Reproductive health
- Birth control

INFORMATION

- How to plan a healthy pregnancy
- How to talk with parents and others about sexuality
- How to resist coercive sexual activity

COSTS FOR SERVICES

Fees for Title X family planning services are based on ability to pay and often cost less than at other health centers. Services are free for people enrolled in Medicaid and those whose income is below the federal poverty guidelines.

Title X family planning clinics offer high quality and confidential health care. Medical services are provided by physicians and nurse practitioners trained in family planning health care. Educational programs offered through family planning clinics respond to local community needs.

The Title X family planning clinics listed in this brochure can help you make an appointment at the site nearest you. You may call the toll-free Healthy Families Line for confidential information and referral.
