

Immunization Registry Information System (IRIS) User Password Reset October 2013

The following are instructions to allow IRIS users to reset their user password. If you have questions regarding the password reset process, call the IRIS Help Desk at 800-374-3958.

In order to reset your password, you will need to have an email address associated with your username and complete three security questions and answers. To set up your email address and security questions and answers, please follow these steps:

- 1) After logging in, click the **'Manage Access/Account'** tab at the top of the page:

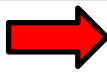

- 2) Click the **'Edit My User Account'** link under the Manage My Account section:

- 3) Enter your email address in the Email field. Then click the **'Save'** button.
