

Penny Smith has been the Neonatal Nurse Consultant for the Statewide Perinatal Care Program since December of 2002. She received her BSN from Olivet Nazarene College, Kankakee, Illinois in May of 1986. Penny began her nursing career in the neonatal intensive care unit at the University of Iowa Hospitals and Clinics in June of 1986. She has been actively involved as a charge nurse, second-call transport nurse, unit preceptor, clinical teaching assistant, NRP instructor, and chair person for unit-based committees. She received her RNC certification in neonatal intensive care in 1993. For three years prior to joining the perinatal program, Penny worked as a Nursing Supervisor for Children's and Women's Services at UIHC. She continues to work as a staff nurse in NICU Bay 1 in addition to her consultant position with the perinatal team. Penny recently became an instructor for The STABLE (Sugar, Temperature, Airway, Blood Pressure, Lab Work, and Emotional Support) Program.
