

# 2016-2017 School Data Matching For Lead Screening Requirement

**September 15, from 9 am to 10:30 by Webinar**

*There will be .12 CEUs awarded by IBON Provider #94. No partial credits will be available.*

## **Sponsors:**

Iowa Department of Public Health  
Iowa Department of Education

## **Planning Team**

Iowa Department of Public Health: Rossany Brugger; Stuart Schmitz,  
& Analisa Pearson, RN BSN  
Iowa Department of Education: Melissa Walker, RN

**Target Audience:** School Nurses, administrators. Office staff superintendents, data technicians, and childhood lead poisoning prevention programs (CLPPPs).

## **Speaker:**

Rossany Brugger: Environment Specialist Senior IDPH/ Lead Poisoning Prevention Program since November, 2007. Rossany Holds a Master in Public Health from Universidad Nacional Autónoma de Honduras.

## **Guest speaker:**

**John Satre:** Informatician. Public Health Informatics |Information Management | Division of Administration & Professional Licensure| Iowa Department of Public Health.

## **Purpose:**

The purpose of this webinar is to inform school nurses and other staff (superintendents, principals, and data technicians/secretaries) on the procedures to report children entering kindergarten to IDPH. County public health agencies, including childhood lead poisoning prevention programs (CLPPPs) will be invited to this webinar to have an understanding of the school matching process.
