INTENDED AUDIENCE: Trauma team members including RNs, LPNs, EMS, Respiratory Therapists, Physicians, Physician Assistants, ARNP, and other interested Allied Health Professionals.

PURPOSE: To provide learning opportunities for the health care professional on current issues and trends in trauma.

OBJECTIVES:

- Discuss trends in the emergency treatment of patients with traumatic burns, neurological trauma or penetrating injuries.
- Outline treatment protocols to manage the trauma patient's airway.
- Describe trends in emergency care for patients involved in agricultural accidents.
- Summarize care for the victim of rape and protection of evidence during forensic examination.

Full Day Attendance is Required for Credit

Allied Health Professionals: Certificates of Completion for 6.5 hours will be available.

ASRT continuing education credits have been requested.

EMS: 6.0 CEHs formal hours

Hawkeye Community College has approved continuing education credit for First Responders, Basic and Advanced EMTs.
Course #16-0700-102-FE

Chapter 137, Trauma Education and Training, of the Iowa Administrative Code, requires continuing trauma education for those identified or defined as trauma team members and who participate directly in the initial resuscitation of the trauma/injured patient.

Nursing CEU: 0.78

Approved by Iowa Board of Nursing Provider #128.

CME:

IOWA MEDICAL SOCIETY
Ensuring quality education for Iowa physicians

This activity has been planned and implemented in accordance with the Essentials and Standards of the Iowa Medical Society through the joint sponsorship of Covenant Medical Center and Genesis Medical Center. Genesis Medical Center is accredited by the Iowa Medical Society to sponsor continuing medical education for physicians.

GENESIS Genesis Medical Center designates this live activity for a maximum of 6.5 *AMA PRA Category I Credit™*. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Conflict of Interest/Disclosure: Presenters are asked to fill out a Conflict of Interest/Disclosure form. The information from their Conflict of Interest will be presented to all attendees.

All lectures have been reviewed to ensure compliance with FDA approved labels and for non promotional content. Discussion of non approved products for the indication discussed is to be announced by the speaker at the start of his or her lecture.

SPEAKERS:

- **Amit Singla, MD**, is a Neurosurgeon with Covenant Clinic's Iowa Spine and Brain Institute™. Dr. Singla received his medical degree from Pt. BDS Postgraduate Institute of Medical Sciences in Rohtak, India. He completed a neurosurgery residency at SUNY Upstate Medical University in Syracuse, New York. He also completed an endovascular fellowship at the University of Florida in Gainesville, Florida. Dr. Singla is Board eligible, and a member of the American Association of Neurological Surgeons, Congress of Neurological Surgeons, and the Medical Council of India.
- **Joshua Stilley, MD**, started his health career as an EMT-B. He graduated from the University of Missouri–Columbia School of Medicine, completed his Emergency Medicine Residency at the University of Iowa and is Board Certified in Emergency Medicine. Dr. Stilley is the Medical Director for the University of Iowa's AirCare and EMLSRC departments and teaches as a Clinical Assistant Professor of Emergency Medicine at the University of Iowa.
- **Julie C. Davis, RN, MSN, NREMT-P**, is employed as a registered nurse with the University of Iowa (UIHC) Cardiovascular Intensive Care Unit, UIHC ECMO team and UIHC AirCare Team. She has previous experience both as a paramedic and in nursing (ER, ICU, and Flight Nurse). Julie also has previous experience in death investigation with the Polk County Medical Examiner's Office. Julie received her Bachelor's of Science Degree in Psychology from Iowa State University and her Master's Degree in Nursing from the University of Iowa.
- **Laura Musyoka, DO**, practices for Emergency Consultants, Incorporated (ECI) in the Emergency Department of Covenant Medical Center. She graduated from Des Moines University and completed her Emergency Residency at Midwestern University in Downers Grove, Illinois. Dr. Musyoka is a member of the American Osteopathic Association and the American College of Emergency Physicians. She has led and participated in medical missions to multiple countries.
- **Christopher Hill, DO**, practices at UnityPoint Health–Allen Hospital and Grundy County Memorial Hospital. He is a graduate of Des Moines University. Dr. Hill completed Residency at Good Samaritan Hospital in West Islip, NY, where he specialized in emergency medicine. Dr. Hill also services as the Medical Director of the UnityPoint Health Partner's Accountable Care Organization, is the Medical Director for Waterloo Fire's EMS service and teaches for Allen College and Des Moines University.
- **Maria Farmer, MSN, ARNP, ACNP-BC**, is employed by Covenant Clinic. She is a graduate of Allen College. Maria has worked for Emergency Consultants, Incorporated (ECI) in the Emergency Department of Covenant Medical Center. She presents nationally for PESI Health Care and has taught for the BSN and Nurse Practitioner programs at Allen College. She is recognized for her expertise in care of the complex patient and forensics.
