12 FoodCorps IA Service Members

Our Mission

☀️ Together with communities, FoodCorps serves to connect kids with healthy food in school.

Three Areas of Service

Hands-On Learning: Students grow, cook, and taste new foods, which builds their skills and changes food preferences.

Healthy School Meals: The cafeteria experience steers students towards the healthiest options and gets them excited to try new healthy foods.

Schoolwide Culture of Health: As a whole, the school community and environment—from hallways to classrooms to cafeteria to grounds—celebrates healthy food.
