

GUIDELINES

Individuals completing the application will ensure that all information is accurate, and

- 1) A completed and signed W-9 is submitted with the grant application.
- 2) Original, itemized, and legible receipts are submitted with the grant application.
- 3) Small receipts are taped to 8 ½ x 11 sheets of paper (one side only!) in chronological order. Applications with loose receipts will not be accepted and will be returned to the applicant.
 - Taped receipts do not overlap as all information must be visible. Applications with overlapping receipts will be returned to the applicant.
 - Large/long receipts are not “folded up”; all information must be visible. Fold and tape the receipt to both sides of paper.
 - Items purchased must be clearly identified; unidentified or illegible items will not be reimbursed.
- 4) Highlighters are not used on receipts as it causes the ink to fade.
- 5) Tape does not cover any information as it may cause the ink to fade.
- 6) Requested reimbursement of out-of-pocket expenses were incurred by the transplant patient.
