

IGS Data System Login Information

To access the data system, go to - <https://iowagetscreened.com> - which is the production website.

First time user - click on *Register*, fill in the information (**keep your password in a secured spot, all users need to have their own password**) then click on the button at the bottom. If not filled in correctly you may need to complete missing information then click on the button at the bottom again. Once you have registered, send an e-mail or call Karen Ullom right away to get entered in the data system: karen-ullom@uiowa.edu or Phone: 319-335-6866. *Once you are able to enter data you will receive an e-mail confirming your ability to use the system.*

If you lose your password you will be able to go in and get a different one.

Note Passwords need to be at least 7 characters, and we encourage you to use numeric, alpha and different cases (lower and upper)
