P-S = Primary or Secondary EL = Early Latent (<1 year) Late = Late Latent, and Late with clinical manifestations,
 CONG = Congenital

Source: Iowa Department of Public Health, STD Prevention Program. Data as of May 2016

* Rate = Number of Cases per 100,000 population

¹ Diff = Total difference from previous year; () denotes decrease from prior year

† Calculation of rate is inappropriate due to small number of cases

Population based on 2010 census, estimated to 2014
