

FY22 Community Partnership Tobacco Control Program Objectives

All 28 Community Partnerships (CPs) address the following Work Plan Area Goal (WPAG) in their tobacco control program:

- WPAG 1: Tobacco Free and Nicotine Free (TF/NF) policy change programming for either: parks, K-12 schools, childcare, or colleges/universities/community colleges/trade schools or development of an ISTEP Chapter.
- WPAG 2: TF/NF wellness worksite, community events, or smoke free housing policies.
- WPAG 3: Promote system change related to promoting quitting among young people and adults.
- WPAG 4: Coalition Development (work with their communities to implement initiatives to mobilize communities and to integrate tobacco control strategies into collaborative community activities).

All target area objectives for WPAG are included in the tables listed below.
