

Smoke Free Property Listing

Property Name	
Property Address (if you have multiple properties, submit the form for each property)	
City	
State	
Zip Code	
County	
Property Contact Phone Number	
Property Contact Email	
Housing Type (affordable, apartments, assisted living, condo, nursing home, public housing, senior living, single family home rentals, student housing, townhomes)	
SF Units Available	
Property Lease?*	

* Only PDF documents are allowed.

When working with property managers, be sure to ask if they have allowed residents to continue smoking as grandfathered residents. If there is a grandfathered period, make sure to ask when the grandfathered period ends. If the grandfathered period ends within a year, let the manager(s) know that once the grandfathered period is over, we will add the property to our registry.
