Methods to Review Rule Changes

- You can review recent changes in a specific chapter:
  - Visit [http://idph.iowa.gov/radiological-health](http://idph.iowa.gov/radiological-health)
  - Open the desired chapter from the Bureau of Radiological Health website.
  - Scroll to the end of the document (see below).
  - Move your cursor over the desired “Filed ARC” notice and click to open.
  - Then you can review the document for changes.

- You can review the biweekly (every two weeks) published updates:
  - Once you open the Iowa Administrative Bulletin or Supplement the radiological rules will be listed under the Agency Public Health Department (641).
  - The Bureau of Radiological Health rules are Chapters 37 – 45 (see below).

- You can subscribe to receive Iowa rule change publications:
