

## **Residential Treatment for Pregnant and Postpartum Women - Collateral Contacts Form**

The PPW project requires a GPRA Follow Up interview be completed for each client. To assist with this requirement, obtain at least three collateral contacts from the client to help in locating the client six months after intake. Collateral contacts can be individuals that have regular contact with the client (e.g. probation officers, family members, or case workers). Obtain a release of information from the client for each collateral contact.
