Re: Iowa Screening Programs Electronic Billing and Claim Reimbursement Guidance

Electronic Billing and Claims Reimbursement Guidance

All reimbursement for Iowa Department of Public Health (IDPH) chronic disease claimed services with the following programs will be paid by HS Medical Billing Services (HSMBS), doing business as ***Iowa Screening Programs***.

- Care for Yourself – Breast and Cervical Cancer Program
- Care for Yourself – WISEWOMAN Program
- Cervical Cancer Screening Program
- Iowa Get Screened: Colorectal Cancer Program

Electronic claim submission is available now. Only 837p (professional claims) will be accepted electronically. Please provide your clearinghouse with the following information:

The payer ID information is:
TriZetto Provider Solutions
One Financial Plaza
501 N. Broadway, 3rd Floor
St. Louis, MO 63102

Special Notes:

Include the current Iowa Screening Program-issued Member Identification Number per patient to ensure claims are processed in a timely manner.

HSMBS will be following the Center for Medicare Services guidelines for claim submission and implementing the Clean Claims Initiative. HSMBS will comply with the ANSI 5010 format and require submission of an 837p claim file. All claims will be submitted through the participating provider's clearinghouse. The participating provider's billing or credentialing department is required to communicate with its clearinghouse and request transmission to HSMBS payer identification **HSMBS**.

For additional instructions, refer to: <http://go.cms.gov/2f6W66S>

If you have questions, please contact Sandy Kelly, HSMBS (Business Manager), at 515-237-3974 extension 203.

Thank you for your attention to this information about our new processes.
