Memorandum: Medical Cannabidiol Digital Registration Cards

This memorandum serves as notification and guidance regarding The Office of Medical Cannabidiol at the Iowa Department of Health’s transition to the issuance of digital medical cannabidiol registration cards, effective July 6, 2022.

Law Enforcement personnel should be aware that for a period of time, they may encounter both forms of the below registration cards. Patients and caregivers are still required to have both their digital registration card and government issued ID when purchasing or possessing medical cannabidiol products.

The QR code in the upper right corner of the digital registration card may be used by Law Enforcement to verify the validity of the card and the patient or caregiver. To do this, Law Enforcement may use the camera on a mobile device. In doing so, personnel will be taken to a URL at iowa.mcebreg.secure.force.com. The webpage will reflect information pertaining to the patient or caregiver registration card, including:

- Name
- Card Type (patient or caregiver)
- Registration Number
- Card Expiration Date
- Application Status

The interface at the URL indicated above will look like the below:
