This exemption applies only to the registration portion of the fees. You must be able to answer YES to the questions and submit your notarized Fee Exemption Supplemental Form 2. If you are unsure if you qualify, contact the Iowa Division of Labor at 515-242-5871 or contractor.registration@iwd.iowa.gov.

Division of Labor Worker’s Compensation Insurance Information
A contractor with one or more employees must submit a certificate of insurance with proof of workers’ compensation insurance. A licensed master of record must be associated with each trade discipline. Note: mechanical work includes HVAC/R and Hydronics. Only one master of record per trade discipline will be accepted. “Master of record” means an individual possessing an active master license in Iowa who shall be responsible for the proper designing, installing, and repairing of the plumbing HVAC, refrigeration, sheet metal or hydronic work of the person. For a sole proprietorship, the business owner must be a licensed master in the applicable discipline as required by Iowa Code section 105.10(2). Attach and complete a master of record certification form for each person listed. (Attachment A)

Part 5 – Applicant’s Signature. Read the statement, sign and date the application. An applicant is responsible for the accuracy of the information provided, regardless of who completes and submits the applicant’s licensure application.
**Master of Record Certification Form (Supplemental Form 1).** The master of record (MOR) for each of the trade disciplines named must complete and sign this form indicating that the person agrees to serve as MOR for the business. If you have more than one MOR, copy this form and submit a separate form for each individual. If the same individual is serving as MOR in multiple trades, only one form per person is required. Sole proprietor must personally hold the master license(s).

**Fee Exemption Form (Supplemental Form 2).** Attach this form if you are requesting a fee exemption from the contractor registration portion of the fee. The form must be notarized and you must meet all of the conditions specified on the form.

**Removal/Additional Owner, Officer, Partner or Member Form (Supplemental Form 3).** Attach this form to report the business owner, officer, partner or member or if you have any changes.

**Fees**
The fee due is based on the date the license originally expired, plus any late fees (Aug 1 - $60, Sept 1 - $100), and paper application fees. Once renewed, the license and registration would be valid until June 30, 2023.

For contractor licenses that expired on June 30, 2020, the following fee breakdown is applicable.

<table>
<thead>
<tr>

</tr>
<tr>

</table>

*If you are renewing more than one active master, contractor, or journeyperson license in one or more disciplines for the same person, a fee discount of 30% may be deducted from the license application fees. To receive the 30% discount all licenses must be for the same individual and purchased in the same transaction. The 30% discount does not apply to the paper application fee or registration portion of the fee. If applying online, the discount will calculate automatically (remember both applications must be submitted on the same day and be for the same person). Examples of fee discount:

“Master of record” means an individual possessing an active master license under Iowa Code chapter 105 who shall be responsible for the following:

- Proper designing, installing, and repairing of plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic systems;
- Being actively in charge of the plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic work of the contractor.

I hereby, agree to be the Master of Record, as defined above, for the contractor named on this form, in the following trade disciplines:

- Plumbing
- HVAC/R
- Hydronics
- Mechanical

A master may only be a master of record for one contractor in any particular discipline at any one time, except that a contractor or a master may seek prior board approval to serve as the master of record for more than one contractor in a particular discipline. An individual who possesses master licenses in multiple disciplines may be a master of record for multiple contractors so long as the individual is only a master of record for one contractor in any particular discipline at one time. Without prior board approval, a contractor shall not knowingly utilize a master licensee to meet this requirement if the master licensee is simultaneously associated with another contractor in that discipline.

Are you currently serving as Master of Record for another licensed contractor in plumbing, HVAC/R, hydronics, or mechanical systems?

- Yes
- No

If yes, provide name of business and specify the trade disciplines in which you are serving as master of record:

Supervision. A master who superintends the design, installation, or repair of plumbing, mechanical, HVAC-refrigeration, or hydronic systems shall be available to supervise journeypersons or apprentices as needed and may only provide such supervision in the discipline or disciplines in which the master is licensed. A master shall not knowingly supervise unlicensed persons who perform work covered under Iowa Code chapter 105 for which a board-issued license is required. A helper for which a license is not required may only perform general manual labor activities under the supervision of a journeyperson or master. A licensee who utilizes the services of an unlicensed helper shall be responsible for the work performed by the helper and shall ensure that such work conforms to the minimum standard of acceptable and prevailing practice.

Master of Record Signature & Affidavit. Please read carefully, sign & date.

I certify that I have read and understood the requirements to serve as Master of Record for the contractor named above. I hereby agree to be Master of Record for this contractor in the trade discipline(s) specified.

I certify that I understand the requirements for providing supervision and agree that I will not knowingly supervise unlicensed persons who perform work covered under Iowa Code chapter 105 for which a board-issued license is required.

I understand I must notify the board within 30 days in the event I am no longer serving as master of record for this contractor. I understand that violation of any of these requirements may subject me to disciplinary action against my master license, up to and including license revocation.
