Step Two - What is the renewal fee and when is it due?

- The renewal fee is \$60. Check or money order must be payable to the Iowa Board of Psychology.
- You are responsible for submitting a completed, accurate renewal application and renewal fee before the license expiration date of June 30. The board office strongly suggests the application and fee be postmarked on or before June 1.
- Your renewal **must** include: (1) the completed renewal application (this form), and (2) the renewal fee.

When is the late fee due?

- To avoid the late fee, this completed application **must be** postmarked by the certification expiration date of June 30.
- A \$60 late fee plus the \$60 renewal fee are required on all applications postmarked in the grace period: "**Grace period**" means the 30-day period following expiration of a license when the license is still considered to be active; July 1 through July 30. In order to renew a license during the grace period, a licensee is required to pay the \$60.00 late fee.
- Renewal applications postmarked after the "**Grace period**" will not be processed. The certification will automatically be placed on inactive status.

Inactive Certification

- A licensee who fails to renew the certification by the end of the "**Grace period**" has an inactive certification. A licensee whose certification is inactive continues to hold the privilege of licensure in Iowa, but may not practice as a health service provider in psychology in Iowa until the certification is reactivated.
- Reactivation must be completed and approved to regain active license status: <http://idph.iowa.gov/Licensure/Iowa-Board-of-Psychology/Licensure/Reactivation>

Processing

- Allow four weeks to process the paper renewal. Once approved, a new wallet card will be sent to you.
- To receive a paper copy of the current Iowa Law and Administrative Rules include an additional \$5.00. To view the current Iowa Law and Administrative Rules online, go to <http://idph.iowa.gov/Licensure/Iowa-Board-of-Psychology/Laws-and-Rules>
