What is Fresh Conversations?

*Fresh Conversations* provides a new, or fresh, newsletter each month. Each issue focuses on a current health topic and offers practical tips and sensible solutions to everyday problems that get in the way of doing what most people want to do: eat well and live well!

The newsletter provides up-to-date information to you from nutrition and health research. You will also find low-cost, healthy recipes, easy ways to be active at home, puzzles and games.

*Fresh Conversations* is a free opportunity to connect with other older adults for a friendly discussion focused on nutrition and physical activity education. Join us right from the comfort of your home for a fun conversation that will help you learn how to maintain your health and independence during one of these sessions this month.

We are offering *Fresh Conversations* through conference calls or computer meetings (with or without a camera). Contact us today to find a *Fresh Conversations* meeting in your area!

Sample topics:
- Heart Disease Myths and Facts
- The Downlow on Processed Foods
- Keeping up with Diet Trends

Who can attend Fresh Conversations?
Any Iowan 60 years-old or older can participate in Fresh Conversations meetings, especially those who are interested in positively transforming their personal health! Not 60+ but you still want to get involved? Fresh Conversations is always looking for volunteers to help lead our meetings.
