

## **Emergency COVID-19 - Collateral Contacts Form**

Welcome to Emergency COVID-19 Grant. The Emergency COVID-19 Project is a one year Iowa Department of Public Health (IDPH) program funded by a grant from the Substance Abuse and Mental Health Services Administration Center for Substance Abuse Treatment (SAMHSA/CSAT). The Emergency COVID-19 Project requires a Government Performances Results Act- Follow-up Interview be completed for each client. To assist with this requirement, obtain at least three collateral contacts from the client to help in locating the client six months after intake. Collateral contacts can be individuals that have regular contact with the client (e.g. probation officers, family members, or case workers). Obtain a release of information from the client for each collateral contact.
