

PLEASE NOTE: The following table is information collected from counties in the State of Iowa on their current local tanning facility requirements as of June 25, 2021. The requirements to obtain a Tanning Permit through the Iowa Department of Public Health have not changed. Please contact your local county to inquire about any additional tanning facility requirements, regulations, and details for information you see below. If you do not see your county listed, please contact the county health department to ensure you are meeting their specific requirements.
