

LUCY'S WORKSHOP

Coloring Book

**Always wear a
helmet when you
have wheels under
your feet or seat!**

**HEALTHY HABIT
ALL-STARS**

Color along as Miss Roberta, Lucy, Glen and
D.O.G. help kids learn about healthy habits!

Lucy's wrapping Miss Roberta's very special birthday present. Can you guess what it is?

Uh-oh. D.O.G. says Brady's riding his scooter without a helmet! That's super dangerous!

The Healthy Habit All-Stars to the rescue - with a helmet for Brady to help protect his head!

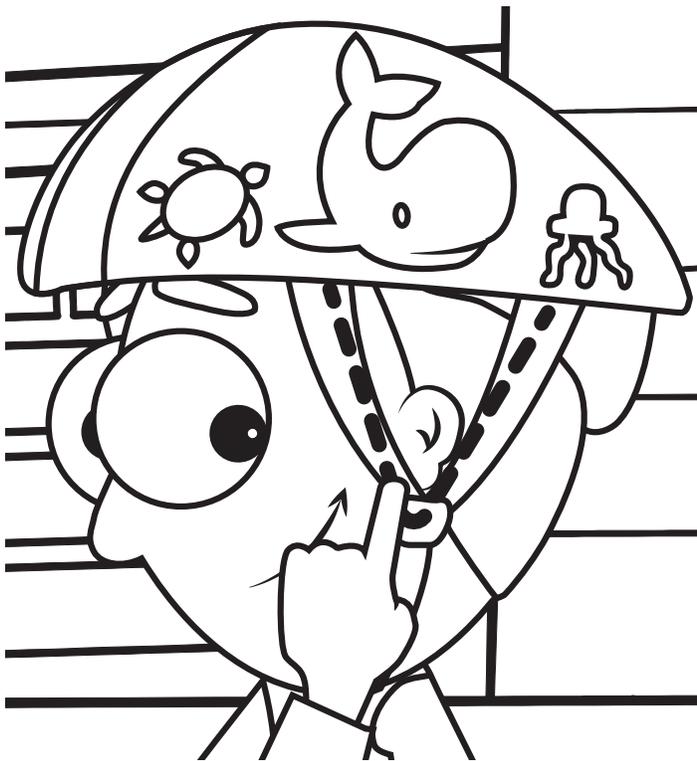

'THE HELMET FIT TEST'

Can you see the edge of your helmet when you look up?

The gang performs the helmet fit test to make sure Brady's helmet fits perfectly.

'THE HELMET FIT TEST'

Does the strap form a V under your ears?

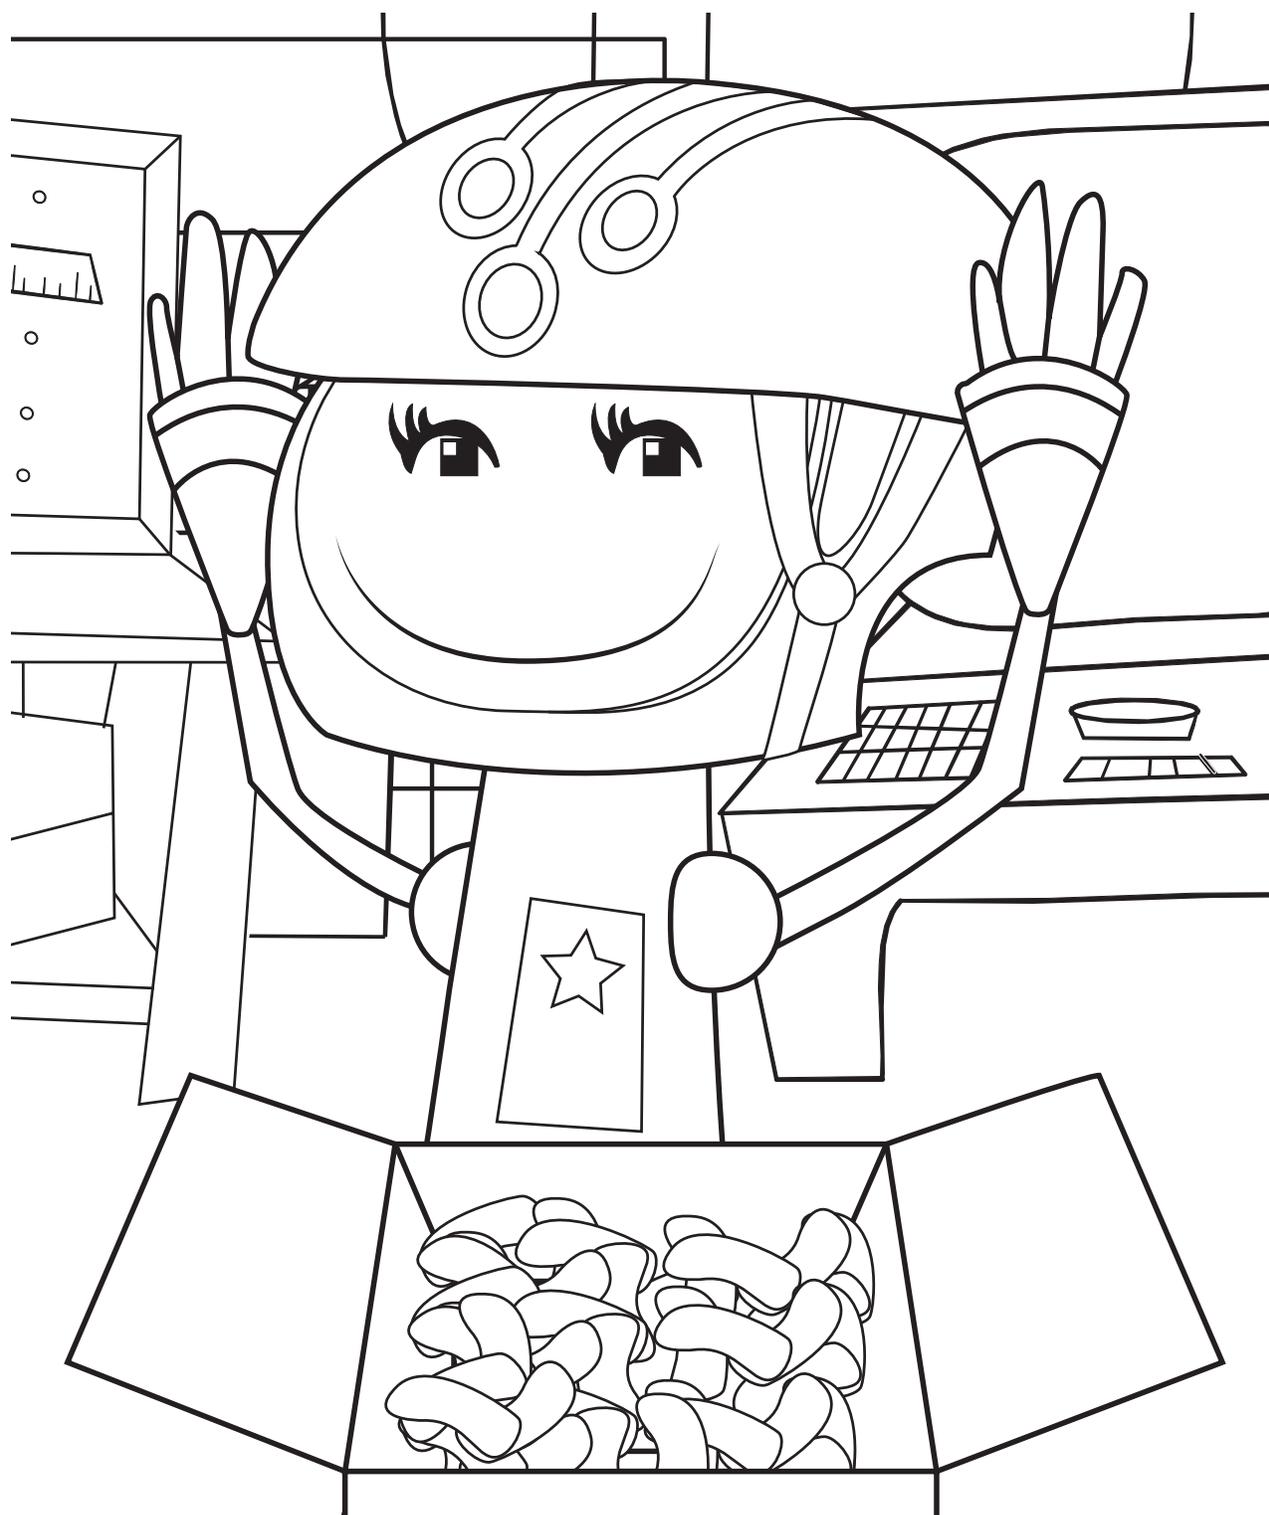

*Act like you're yawning.
Does the helmet hug your head?*

If you said "yes" to all of these questions, you're ready to roll!

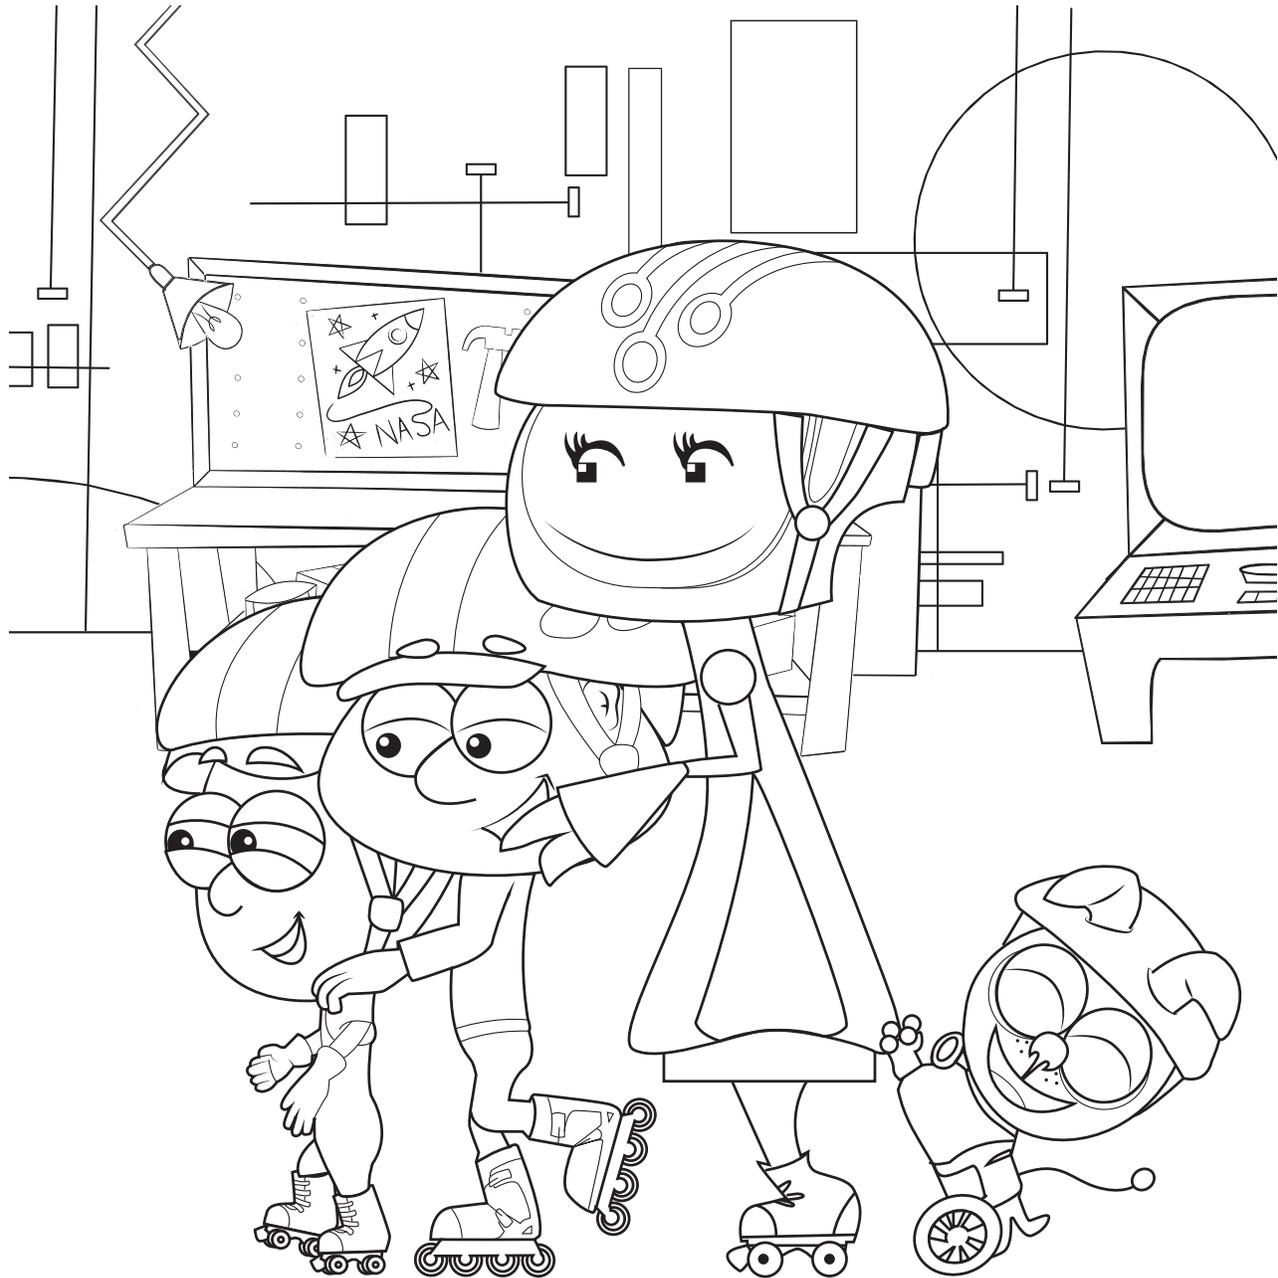

Brady scoots off to show his family his helmet and tell them why it's important to always wear one when you have wheels under your feet or seat!

Back at Lucy's Workshop, Miss Roberta puts on her fancy new helmet from Lucy, Glen and D.O.G.

***Time to roll for Miss Roberta's surprise
roller-skating birthday party!***

It's just another day in Lucy's Workshop!
