The background is a teal gradient. On the left, three cartoon germs are shown inside clear bubbles. The top one is orange and making a peace sign. The middle one is purple and has its hands to its face. The bottom one is pink and has its mouth wide open. To the right of the bubbles are several 3D models of viruses: red spherical ones with surface proteins and purple rod-shaped ones. The text is in white, with the main headline in a large, bold, sans-serif font and the sub-headline in a smaller, bold, sans-serif font.
