*** Read about program services on the back of this consent.**
*** Sign this consent to be part of the *Care for Yourself* – Breast and Cervical Screening (Limited) Program.**

1) I want to be a part of the Care for Yourself Program. This program screens women for breast and cervical cancer. To be a part of the program, I:
   - Must be 40 years or older;
   - May be under 40 years if I have breast cancer symptoms;
   - Must earn less than the set income guidelines; and
   - Must be underinsured or uninsured and not have Medicare Part B.

   I can also be part of this program if I have health insurance that pays for office visits, mammograms and Pap test; meet the CFY Program age and income guidelines; and need help accessing breast or cervical cancer screening, diagnostic or treatment services. Care for Yourself Program staff will help me get these services.

2) Being a part of this program is my choice, however once I enroll, I must complete all of the necessary screenings I am eligible for as recommended by the program. Prior to receiving screening services, I will inform the *Care for Yourself* staff if I no longer wish to be part of the *CFY* program and receive *CFY* screening services.

Contact your local coordinator <u>right away</u> if you have any questions.

3) I have discussed with the program staff about how I will pay for tests or services that are not covered by the *Care for Yourself* Program.
4) I accept responsibility for following advice my health care provider may provide.
5) I give permission for my health care provider, laboratory, clinic, radiology unit and/or hospital to provide the *Care for Yourself* Program results of my breast and cervical cancer screening exams, and/or screening results, follow-up exams and treatment.
6) *Care for Yourself* will use my name, address, and other personal information to remind me of screening and follow-up exams, and to help me find treatment, if needed.
7) Please contact the person listed below, who does not live with me, if you cannot reach me with important information about my health.
