Notice of Proposed Action Page

Information provided within this section reflects public notification of proposed action. Public notification is a requirement of the Administrative Rules and regulations. The Department of Public Health (DPH) is required to publish a notice in the Iowa Register prior to taking any administrative action. The notice of proposed action documents (NPA) are published in the Iowa Register and are available for public review. The Department will post all notices of proposed action against licensees within 24 hours of the notice being filed with the Department. The notice of proposed action will be available on the Department's website and may also be obtained by request from the Department. The notice of proposed action will include a copy of the proposed action and a statement of the Department's proposed action. The notice of proposed action will identify the name of the licensee and the nature of the proposed action.

Once a notice of proposed action document has been received by the involved party, a hearing is required within 20 days. The hearing will be conducted by a hearing officer. The hearing officer will review the evidence, consider the facts, and issue a decision. The decision will be available for public review. The hearing will be conducted by a hearing officer. The hearing officer will review the evidence, consider the facts, and issue a decision. The decision will be available for public review. The hearing will be conducted by a hearing officer. The hearing officer will review the evidence, consider the facts, and issue a decision. The decision will be available for public review.

Notices of appeal, rescinded actions, and any additional adjudication decisions will be posted under the name of the involved individual, service provider, or training program.
