INSTRUCTIONS TO APPLY FOR A NEW CONTRACTOR LICENSE

For assistance with creating an A&A account or finding or resetting your username and password, you will need to call the **OCIO Help Desk**: 515-281-5703 or 1-800-532-1174.

For assistance with navigating the licensing portal, please contact the **AMANDA Support Team** 1-855-824-4357 between 7:30am – 5pm Monday to Friday.

For specific questions regarding contractor registration, unemployment insurance requirements, workers compensation, or out of state contractor bonds, please contact the **Division of Labor** at contractor.registration@iwd.iowa.gov or 515-242-5871.

For specific questions regarding the **Iowa Plumbing and Mechanical Systems** program or license requirements, please visit the website [http://idph.iowa.gov/pmsb](http://idph.iowa.gov/pmsb) or call 1-866-280-1521.

BEFORE YOU BEGIN:

These instructions assume you have already followed the steps to create an A&A account and set up your AMANDA profile page, including linking your company to your individual license profile page. If you have not done these steps, go back to the IDPH Regulatory Programs Plumbing & Mechanical Systems Board Page [https://idph.iowa.gov/regulatory-programs/pmsb](https://idph.iowa.gov/regulatory-programs/pmsb) and follow the instructions to create an account.

If you have followed the instructions to create an account and linked your contractor license to your account, you should see your company name listed in the left column once you logon to AMANDA. If you do not see your company name listed there, please **STOP** and contact the AMANDA Support Team at 1-855-824-4357.

These instructions also assume this is an application for a NEW contractor (e.g. your company has NEVER been licensed as a contractor with the Plumbing & Mechanical Systems Board). If the company has previously been licensed and needs to renew the license, **STOP** and go back to the IDPH Regulatory Programs Plumbing & Mechanical Systems Board Page [https://idph.iowa.gov/regulatory-programs/pmsb](https://idph.iowa.gov/regulatory-programs/pmsb) and follow the instructions for contractor renewal. If this is a new application for a contractor license, proceed with the next steps.

The AMANDA application works best in Chrome and Safari. If you need to use Internet Explorer, you will need to change three settings in order for the portal to function properly: 1) pop up blocker must be turned off; 2) iowa.gov must be added to compatibility view; and 3) iowa.gov must be added to trusted sites. Contact the AMANDA Support Team if you need help with adjusting these settings for Internet Explorer.

Contractors who perform services in plumbing, HVAC, refrigeration, hydronics, or mechanical systems now have a “one-stop shop” to apply for both the contractor license and contractor registration on a single application. Previously contractors were required to apply/renew the license with the board office every 3 years and also submit a separate application and fee for contractor registration to Iowa Workforce Development Division of Labor on an annual basis. Beginning with this renewal, contractor licensure and registration have been combined into a single 3-year application and renewal process. This means that you will be required to submit a fee for a 3-year contractor registration in addition to the contractor license renewal fee, and the documentation required by the Division of Labor for contractor registration.

DOCUMENTATION NEEDED:

**Unemployment Insurance Number:** A valid unemployment insurance number (UI#) is required, even if you have no employees. To obtain a UI# visit [www.myiowaiui.org](http://www.myiowaiui.org) or contact Unemployment Insurance customer service at 888-848-7442 or email IWDuitax@iwd.iowa.gov.

**Workers Compensation Compliance Information:** A contractor with one or more employees must have either a Workers’ Compensation Insurance certificate listing the “Iowa Division of Labor” as a certificate holder or a Certificate of Relief issued by the Iowa Insurance

- **IDPH Surety Bond or continuation certificate:**
- **IWD Out of State Contractor Bond or continuation certificate if you are an out of state contractor:**
- IWD Worker’s Compensation Insurance or Certificate of Relief:

Information for your Division of Labor contractor registration will be sent electronically to the Division of Labor. Payment for the “registration” portion of the fee will also be sent electronically to the Division of Labor unless you indicated you have a fee exemption. The Division of Labor must approve and issue your contractor registration number before your PMSB contractor license can be renewed or issued.

Once your application has been paid for and all information is complete including required attachments, the status online will show “Ready to Issue” or you will see the license listed with a status of “Active” and an expiry date of 6/30/2020.

When the license has been approved, you will be automatically emailed a copy of your new license certificate and wallet card. The email will be sent to the email address you provided when creating your company profile for your contractor license. NOTE: This may be a different email address than the one you provided for your individual account. Go to your Company Profile to see the email address on file. If you need to change the email or physical address of the company, please contact the AMANDA Support Team 1-855-824-4357.
