Purpose:
The Iowa Department of Public Health (IDPH) Healthcare Associated Infections (HAI) Team will host monthly open office hours. The office hours will provide an open forum where attendees can ask questions regarding infection prevention and control issues out loud or pose them in the chat feature.

Audience:
This forum is for the staff and representatives of long-term care facilities to ask questions related to infection prevention and control practices in their facility and is not limited to any one particular disease or condition.

Time & Place:
Open office hours will be held on the first Tuesday of every month, at 12:00 PM central time, starting on September 7, 2021. Each session will last 30 minutes.

Agenda:
Includes brief updates at the top of the hour, no longer then 5 to 15 minutes, with remaining time for questions. Attendees can join anytime during the 30 minute session to ask questions and are not required to stay the entire session.
