

**IPN Community of Practice (CoP) | Combined
September 11, 2020
10:00 a.m. to 11:30 a.m.**

Meeting Location and Address

AGENDA

- 1. Introduction/Roll Call/WebEx Interface** Katie Bee, IDPH
 - **Expectations for participation**
 - **Attend when possible, not required**
 - **Use of webcam**
 - **Actively participate**

- 2. IPN CoP** Katie Bee, IDPH
 - **Purpose of the calls**
 - **Training topics to move the prevention/treatment workforce forward**
 - **Interactive, supportive, solution-focused, and led by the “community”**
 - **Based on evidence/research/best practices**

- 3. IPN Announcements/Website Updates** Katie Bee/Eric Preuss, IDPH
 - **IPNCoP web page**
 - **Narcan (naloxone) availability**
 - **Your Life Iowa - 5 Year Plan**

- 4. Future CoP Combined Topics & Discussion** All
 - **What would you like your organization to know about prevention and treatment services? What specifically can we learn from one another? Where are potential areas of duplication/overlap?**
 - **How does your agency use both prevention and treatment data to drive local services (i.e. SBIRT screening tools, Community Assessment Workbooks, pre/post survey data, recidivism rates, etc.)? Where are there opportunities for growth? What data sources are being used at the local level to understand the needs of the community.**
 - **What does the continuum of care look like to you (i.e. promotion, prevention, early intervention, treatment, recovery) and where are there opportunities for growth?**

- 5. Questions/Closing** All

Next meeting: November 13, 2020 at 10:00 a.m. to 11:30 a.m.
