# Frequently Asked Questions About Hawki

## Income Guidelines

Effective April 1, 2019

### How do I find out if I have health insurance?

Ask your parents.

### I'm healthy - do I really need health insurance?

Yes! Anyone can get sick or have an accident, and medical care can be super expensive. Without insurance, medical bills for a broken arm can be \$3,000 – enough for a new car down payment or a new computer and tablet!

### What if I need health insurance, but I don't want my friends to know I'm on Hawki?

Your insurance is private. Hawki coverage is provided by one of these two Managed Care Organizations :

- ★ Amerigroup Iowa, Inc.
- ★ Iowa Total Care (coverage begins July 1, 2019)

### Can I fill out the application myself?

No. Your parents need to fill out the application in one of the two ways:

- ★ Online at [dhs.iowa.gov/hawk-i](http://dhs.iowa.gov/hawk-i)
- ★ Call 1-855-889-7985

### Questions?

Your local Hawki outreach coordinator can help. Find your coordinator at [dhs.iowa.gov/hawk-i](http://dhs.iowa.gov/hawk-i) under "outreach."

### I have health insurance but not dental insurance. Can I get just dental coverage through Hawki?

Yes. Hawki offers dental-only coverage through Delta Dental of Iowa. Income guidelines for dental-only coverage are the same as regular Hawki. Some families don't pay anything, and no family pays more than \$20 per month for dental-only coverage.
