Date Revised: 5/15/2019

Priority Community Health Issue / Significant Health Need	Rationale	Is this priority in the HIP/ Implementation strategy?	If the priority is not addressed in the HIP/Implementation strategy, reason(s) why:
1 Mental Health	<p>Medicare population getting treated for depression in Jasper County is 14%. There are 3.2 days out of the year that are poor mental health days. The age-adjusted suicide mortality rate (per 100K) is 15.6.</p> <p>YOUTH: The Iowa Youth Survey indicated 10% in Jasper County have been treated for nervous , angry, sad, restless with 8% on medications. 17% of youth have considered suicide and 11% have made a plan to commit suicide and 6% have tried to commit suicide.</p> <p>20% of youth ages 13-18 live with a mental condition, 11% have a mood disorder, 10% have a behavior or conduct disorder and 8% anxiety disorder. 50% of all mental illness cases begin by age 14 and 75% by age 24. Delay of intervention from time of onset is 8-10 years. Nearly 50% of youth aged 8-15 who would benefit from treatment did not receive mental health services in the previous year (Fact Sheet by National Alliance on Mental Illness - NAMI).</p> <p>ADULTS: 1 in every 5 adults in US experience mental illness annually. 1 in 25 adults in US live with serious mental illness. 1 in 100 adults live with schizophrenia, 2.6% of adults live with bipolar disorder, 6.9% live with major depression and 18.1% live with anxiety disorder. Depression is leading cause of disability worldwide. Nearly 69% of adults with mental illness didn't receive mental health services in the previous year.</p> <p>Mental Health was a previous goal on the health improvement plan in 2016. We have since implemented the crisis line, mobile crisis unit. The number of mental health visits at Capstone Mental Health rose from approximately 800 to over 4000 in a 3 year period.</p>	Yes	<input type="checkbox"/> Other priorities rated higher <input type="checkbox"/> Existing programs already address problem/need <input type="checkbox"/> Lack of human resources/ staff <input type="checkbox"/> Other _____ <input type="checkbox"/> Community partners do not exist <input type="checkbox"/> Lead organization does not exist <input type="checkbox"/> Lack of financial resources

Priority Community Health Issue / Significant Health Need	Rationale	Is this priority in the HIP/ Implementation strategy?	If the priority is not addressed in the HIP/Implementation strategy, reason(s) why:
