Community Priority

Social connection and participation/willingness to act for the common good

Goal #1 By 2021, Dallas County residents are connected with local resources and social supports, and participate in community life.

National Alignment

National Prevention Strategy

State Alignment

United Way of Central Iowa Health Strategy Map, Healthiest State Initiative

Objective 1-1 By 2021, increase the number individuals and families in Dallas County who report having networks of support during times of stress and need, from 3.5 to 4.0, as measured by the weighted average from the community health needs assessment survey.

Baseline Year	Baseline Value	Target Year	Target Value
2015	3.5	2021	4.0

Report Date

Jun 1, 2017

Year

2016

Value

3.5

Progress notes: Exploring an alternative measure for networks of support (United Way Well-Being Index)

Report Date

June 11, 2019

Year

2018

Value

59.1

Progress on Objective

- | | |
|--|---|
| <input type="checkbox"/> Met, trend in right direction | <input type="checkbox"/> Not met, trend in right direction |
| <input type="checkbox"/> Met, no trend | <input type="checkbox"/> Not met, no trend |
| <input type="checkbox"/> Met, trend in wrong direction | <input checked="" type="checkbox"/> Not met, trend in wrong direction |

Progress notes: Using the Social Well-Being Score from the United Way Well-Being Index takes into consideration the perceptions of the strength of relationships with a spouse, partner, or close friend; if friends and family give you positive energy every day; if there is time for regular trips or vacations with friends and families; and if someone that encourages healthy behaviors. In 2018, this score was 59.1. This is trending down from 59.5 in 2017 and 61.4 in 2016.

Report Date

May 20, 2020

Year

2019

Value

3.2

Progress on Objective

| <input type="checkbox"/> Met, trend in right direction | <input type="checkbox"/> Not met, trend in right direction |
| <input type="checkbox"/> Met, no trend | <input checked="" type="checkbox"/> Not met, no trend |
| <input type="checkbox"/> Met, trend in wrong direction | <input type="checkbox"/> Not met, trend in wrong direction |

Progress notes: Dallas County residents were re-surveyed for the 2019 CHNA. The weighted average of individuals and families that reported having networks of support during times of stress and need decreased from 3.5 in 2015 to 3.2 in 2019. The United Way Well-Being Index data from 2019 has not yet been released and will be discontinued for future evaluation years.

Strategy 1-1.1 Provide technical assistance to community partners and providers for implementing system-level changes to screen and refer clients to the Health Navigation program and other community resources

Strategy Type

Environmental / Policy / Systems Change

Who's Responsible
Dallas County Health Department

Target Date
Ongoing

Report Date
Jun 1, 2017

Progress on Strategy
 Complete On track Off track No progress

Progress notes: Provided TA to Wauke Area Christian services to replicate Health Navigation services in their agency; Participated in Health Leads Workshop with clinical partners to discuss importance of social needs and develop closed-loop referral processes to connect patients to Health Navigation; Met with Unity Point Pediatric, Lakeview, regional care coordinators, and Blank children's clinic to promote HN services

Report Date

-----------------------------------	---

Progress notes: Hosted an open-house style unveiling of the CHNA HIP with over 30 stakeholders. Held Bridges Out of Poverty workshop for 67 participants; Met with Homecare services about promoting congregate meal sites for social connection to seniors.

<u>Report Date</u> June 3, 2018	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
------------------------------------	---

Progress notes: DCPH met with Homecare Services, Inc. to discuss options for promoting congregate meal sites for social connection; The Waukee Parks & Recreation implemented a Park and Play series to help locals feel more connected in their community; Adel Public Library has adult coloring sessions for people who want to get out.

Dallas County Hospital implemented Senior Life Solutions to provide behavioral health counseling to older adults. The program helps foster social connection for seniors by having them meet for coffee right when they start the program. The program is delivered in a group setting. DCPH has reached out to the program coordinator regarding the need for Spanish-speaking groups.

<u>Report Date</u> June 13, 2019	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
-------------------------------------	---

Progress notes: DCHD provided technical assistance to Clive and Dallas Center Healthy Hometown Initiatives to identify areas for growth and plan for programming to promote social connectedness. Dallas Center will be constructing a park pavillion to be used for farmer's markets, an ice skating rink, and other community events.

Waukee school district continued the Picnic and Play events and invited DCHD to provide nutrition and physical activity programming to encourage families to come together and be healthy.

<u>Report Date</u> May 21, 2020	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
------------------------------------	---

Progress notes: DCHD provided technical assistance to Clive, Dallas Center, and De Soto Healthy Hometown Initiatives. Each community is implementing initiatives to increase social connectedness through built environment changes. Staff also completed the Iowa Walking College to help communities assess and ensure residents of all abilities are able to access and gather on walkable pathways.

Strategy 1-1.4 Use quantitative and qualitative data, satisfaction surveys, & client experience stories to guide the

development of additional community-specific strategies for improving community connectedness and social support, including: timebanking, time-dollar exchange, resident to resident grant making program, or other evidence-based strategies.

Strategy 1-1.1 Convene town-hall meetings to engage residents, community advocates, business leaders, and service providers in conversation about transportation needs, health equity and long-term planning

Strategy Type

Address Social Determinant / Health Inequity

Who's Responsible

HIRTA, Transportation Advisory Group

Target Date

Ongoing

<u>Report Date</u> Jun 1, 2017	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
Progress notes: Convened town-hall meeting in Perry to engage residents; Transportation Advisory Group meets monthly to discuss innovative strategies to address transportation and share resources.	
<u>Report Date</u> June 3, 2018	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input type="checkbox"/> On track <input checked="" type="checkbox"/> Off track <input type="checkbox"/> No progress
Progress notes: The Transportation Advisory Group no longer meets on a regular basis. DCPH has reached out to HIRTA to inquire about same-day, low-cost rides that are offered in other communities to explore feasibility of replicating in Dallas County.	
<u>Report Date</u> June 13, 2019	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
Progress notes: The Dallas County SIM Steering Committee met with HIRTA in 2018 to discuss barriers to participation in public transit in Dallas County. In 2019, the HIRTA board decided to provide direct services in all their counties which led to some service changes in Dallas County. HIRTA now meets regularly with the Health Navigation team to discuss barriers clients are facing and share information about possible solutions.	
<u>Report Date</u> May 21, 2020	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
Progress notes: Representatives from HIRTA presented about the program and new service changes at the quarterly Community Health Speaker Series. DCHD now serves on the HIRTA Transportation Advisory Group and provides input on long term planning efforts for transportation in Dallas County.	

Strategy 1-1.2 Sustain funding and expand the implementation of a voucher program to provide free HIRTA bus rides to low-income residents without other means of transportation

Strategy Type
Address Social Determinant / Health Inequity

<u>Who's Responsible</u> Dallas County Health Department	<u>Target Date</u> Ongoing
<u>Report Date</u> Jun 1, 2017	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
Progress notes: In 2016, 348 rides were provided to 88 unique clients. Between 1/1/17-3/31/17, 17 rides were provided.	
<u>Report Date</u> June 3, 2018	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
Progress notes: DCPH secured additional funding from the Bock Family Foundation to provide vouchers. 168 rides were provided in 2017 to 43 unique clients. DCPH is looking towards more sustainable transportation solutions in the future and working with MCO's, human service providers, and clinics to help provide rides to residents. DHS has taken on management of the voucher program for families with a child under the age of 18.	
<u>Report Date</u> June 13, 2019	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input type="checkbox"/> On track <input type="checkbox"/> Off track <input checked="" type="checkbox"/> No progress
Progress notes: DCHD no longer provides vouchers for HIRTA, but has advocated for a standardized fee schedule and helps clients complete NAPIS applications for reduced fares. Navigators also assist clients in accessing their transportation benefit through the	

MCOs. UnitedHealthcare and Amerigroup representatives presented to community partners at the Dallas County Community Health Coalition on how to help clients access their transportation benefits.

<u>Report Date</u> May 21, 2020	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input type="checkbox"/> On track <input type="checkbox"/> Off track <input checked="" type="checkbox"/> No progress
------------------------------------	---

Progress notes: DCHD no longer provides transportation vouchers. However, DCHD has helped HIRTA advertise their free pantry shuttles in Waukee and Perry.

Strategy 1-1.3 Identify and pilot at least one additional evidence-based transportation intervention, such as a volunteer health taxi, rural shuttle, or fixed route taxi to improve transportation options

Strategy Type
Environmental / Policy / Systems Change

Who's Responsible
Transportation Advisory Group

Target Date
Jan 1, 2018

<u>Report Date</u> Jun 1, 2017	<u>Progress on Strategy</u> <input checked="" type="checkbox"/> Complete <input type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
-----------------------------------	---

Progress notes: SAIL-DC, a volunteer driver service secured nonprofit status and began giving rides in August, 2017. Through 3/31/17, 88 rides have been provided by SAIL-DC.

<u>Report Date</u> June 3, 2018	<u>Progress on Strategy</u> <input checked="" type="checkbox"/> Complete <input type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
------------------------------------	---

Progress notes: SAIL-DC, a volunteer driver service continues to give rides to residents of Dallas Center and Minburn. Best practices were shared with a stakeholder group in Perry to generate interest for replicating the program in Perry. Woodward Granger is also working to implement a similar volunteer driver program. DCPH, Dallas County Hospital, and Iowa State Extension met to discuss a collective taxi model and continue to explore avenues for funding a pilot.

<u>Report Date</u> June 13, 2019	<u>Progress on Strategy</u> <input checked="" type="checkbox"/> Complete <input type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
-------------------------------------	---

Progress notes: SAILDC continues to provide transportation services to the residents of Dallas Center and Minburn. In 2018, SAILDC provided 270 rides.

<u>Report Date</u> May 21, 2020	<u>Progress on Strategy</u> <input checked="" type="checkbox"/> Complete <input type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
------------------------------------	---

Progress notes: DCHD continues to support SAILDC in their volunteer transportation service in Dallas Center and Minburn. Staff provides the board guidance on policies and procedures as well as financial assistance for administration of the program.

Community Priority

Cultural competence and understanding of diversity/disparities

Goal #1 By 2021, organizations, leaders, residents of Dallas County understand the County's growth, diversity, and disparities; are more culturally competent

National Alignment

Healthy People 2020

State Alignment

United Way of Central Iowa Opportunity Plan

Objective 1-1 By 2021, Dallas County leaders and residents will increase their understanding of the County's growth and diversity, and improve their cultural competence, as measured by pre-and post-surveys (TBD).

Strategy 2-1.1 Implement an awareness campaign to encourage local growers and backyard gardeners to donate produce to pantries/ human service organizations

Strategy Type
Counseling & Education

Who's Responsible

Eat Greater Des Moines, Hunger-Free Dallas County

Target Date

1/1/2017

Report Date
Jun 1, 2017

Progress on Strategy

- Complete On track Off track No progress

Progress notes: Cultivate Iowa materials were distributed to all municipalities in Dallas County to encourage residents to donate excess garden produce to local pantries. Food rescue materials were distributed to facilitate increased donations to local food pantries.

Report Date
June 3, 2018

Progress on Strategy

- Complete On track Off track No progress

Progress notes: DCPH created marketing materials for local growers to donate to the Senior Produce Box program. DCPH posted on social media and in local news outlets encouraging local growers to donate to food pantries. HFDC website was implemented.

Report Date
June 13, 2019

Progress on Strategy

- Complete On track Off track No progress

Progress notes: Hunger Free Dallas County and DCHD encouraged local producers to donate produce to the Senior Produce Box program. HFDC is looking to support more local farmers in the future with the Pop-Up Produce stand. DCHD also works with Waukee Farm to School programming to encourage use of locally grown produce in school meals.

Report Date
May 21, 2020

Progress on Strategy

- Complete On track Off track No progress

Progress notes: DCHD promoted the Senior Produce Box program as a donation source for local growers through social media and newsletter.

Strategy 2-1.2 Assess nutrition and chronic disease status and provide education, counseling, and referrals

Strategy Type
Counseling & Education

Who's Responsible
Dallas County Health Department, ISU Extension and Outreach, Clinical and Community Partners

Target Date
Ongoing

Report Date
Jun 1, 2017

Progress on Strategy
 Complete On track Off track No progress

Progress notes: Compiled list and referred to available diabetes programs in Dallas County. Specifically, conducted scan of updated DSME/CDSMP/NDPP programs and discussed barriers to participant attendance

Report Date
June 3, 2018

Progress on Strategy
 Complete On track Off track No progress

Progress notes: DCPH shared updated DSME/CDSMP/NDPP programs with SIM steering committee and Community Coalition. DCPH compiled a list of all available wellness programs in the county, and Health Navigators refer clients when appropriate. DCPH requested that Sarai Rice from DMARC attend HFDC meeting to talk about the connection between nutrition and poverty.

Report Date
June, 13, 2019

Progress on Strategy
 Complete On track Off track No progress

Progress notes: Health Navigation assesses and provides referrals for nutrition and chronic disease management and education when appropriate. Dallas County Hospital continues to provide numerous wellness programs for residents including a newly accredited NDPP program.

Report Date
May 21, 2020

Progress on Strategy
 Complete On track Off track No progress

Progress notes: Health Navigators continue to assess and provide referrals when appropriate. Nutrition and food security needs were assessed in the 2019 CHNA and continue to be a priority.

Strategy 2-1.3 Convene 'Hunger-Free Dallas County' coalition to identify gaps and priorities for intervention to increase access to healthy food

Strategy Type
Address Social Determinant / Health Inequity

Who's Responsible
Dallas County Health Department

Target Date
Ongoing

Report Date
Jun 1, 2017

Progress on Strategy
 Complete On track Off track No progress

Progress notes: HFDC meets on a monthly basis; local food pantries have increased service areas and hours to help improve access; mobile food pantries have been initiated in 5 Dallas County communities to help address gaps and barriers to accessing food; Pantry and mobile pantry clients were surveyed to identify gaps in services

Report Date
June 3, 2018

Progress on Strategy
 Complete On track Off track No progress

Progress notes: HFDC continues to meet on a monthly basis; In 2016 and 2017, mobile food pantries were implemented in 8 sites across Dallas County, and the strategic plan created by the group included priorities to increase county-wide access and hours of operation for local food pantries. In 2018, the group shifted to make sure that the programs are sustainable. The group is conducting outreach to local schools to ensure that there will be adequate food services if the mobile pantries disappear. NIFCAP shared data system was implemented at Waukee Area Christian Services and Adel Good Samaritan Food Pantry to help identify gaps in services. HFDC representatives are working with United Way's OpportUNITY food insecurity work

group to identify gaps in data collection and get other pantries in Dallas County to join the NIFCAP system. Hunger Free Dallas County received a grant from United Way to implement pop-up produce stands in rural communities in Dallas County, build capacity for Coalition Leadership, and leverage purchasing power for healthy options at local food pantries.

<u>Report Date</u> June 13, 2019	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
-------------------------------------	---

Progress notes: Hunger Free Dallas County has received their 501(c)3 designation and was able to apply for United Way funding for the Pop Up Produce stand. The PUP stand will now be offered in Minburn, De Soto, Redfield, and Dallas Center each month, year round.

<u>Report Date</u> May 21, 2020	<u>Progress on Strategy</u> <input checked="" type="checkbox"/> Complete <input type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
------------------------------------	---

Progress notes: Hunger Free Dallas County is now an independent coalition and providing guidance for neighboring communities. DCHD continues to serve on the board and participate in coalition workgroups. DCHD plays a supporting role in staffing and promoting Pop Up Produce events throughout the county.

Strategy 2-1.4 Provide technical assistance for at least one healthy corner store initiative using IDPH's Compre Saludable (Shop Healthy Iowa) Toolkit Strategy Type
Environmental / Policy / Systems Change

Strategy 2-1.5 Promote incentives/mechanisms for the production, distribution, and procurement of foods from local farms Strategy Type
Environmental / Policy / Systems Change

Who's Responsible
Eat Greater Des Moines, ISU Extension and Outreach Target Date
1/1/2021

<u>Report Date</u> Jun 1, 2017	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
-----------------------------------	---

Progress notes: Surveyed local producers to assess produce availability; created and distributed farmer's market materials to food pantries and nonprofits; piloted Double Up Food Bucks program to encourage SNAP clients to buy local produce

<u>Report Date</u> June 3, 2018	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
------------------------------------	---

Progress notes: Dallas County Public Health distributed farmers market flyers with Double Up Food Bucks locations (no locations in Dallas County). DCPH and Waukee Community School District collaboratively applied for the USDA Farm to School grant funding and educated WCSD about Farm to School initiatives in the area. DCPH also applied for Pick a Better Snack funding with an Elementary School in Clive, with the intention to buy healthy snacks locally, if awarded.

<u>Report Date</u> June 13, 2019	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
-------------------------------------	---

Progress notes: WCSD received the USDA Farm to School planning grant and DCHD serves on the Farm to School committee. DCHD also is exploring options to include local produce in Pick a Better Snack programming at Crestview School of Inquiry in Clive. DCHD continues to promote the Double Up Food Bucks program at health fairs and with Health Navigation clients. There are not currently any farmer's markets in Dallas County that participate in DUFB.

<u>Report Date</u> May 21, 2020	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
------------------------------------	---

Progress notes: DCHD continues to participate and provide support for Waukee Farm to School programming. Staff have continued to engage in discussions for local procurement of food and listen to barriers that local growers face. DCHD has helped to increase access to the Senior Farmer's Market Nutrition Program and connect over 150 older adults with nutritious foods.

Strategy 2-1.6 Evaluate offerings in at least two concession stands and provide assistance in sourcing healthier options Strategy Type
Environmental / Policy / Systems Change

<u>Who's Responsible</u> Dallas County Health Department	<u>Target Date</u> 1/1/2018
---	--------------------------------

<u>Report Date</u> Jun 1, 2017	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
-----------------------------------	---

Progress notes: Conducted surveys of local concession stand managers to assess current options and feasibility of adding healthy choices; Surveyed Waukee booster club members; APEX students implemented a taste testing of healthy options at a local sporting event and made recommendations to the Booster Club on affordable options

<u>Report Date</u> June 3, 2018	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
------------------------------------	---

Progress notes: The Clive Healthy Hometown Task Force met with the Waukee and West Des Moines Food Service Directors to discuss opportunities for healthy vending and healthy concessions. Both schools said that vending was already heavily regulated and provided healthy options during school hours.

<u>Report Date</u> June 13, 2019	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input type="checkbox"/> On track <input type="checkbox"/> Off track <input checked="" type="checkbox"/> No progress
-------------------------------------	---

Progress notes: No new progress has been made on this strategy. Dallas Center discussed an audit of their concession stand during Healthy Hometown action planning and decided it was not a priority at this time.

<u>Report Date</u> May 21, 2020	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
------------------------------------	---

Progress notes: Clive Health and Wellness Initiative has completed a NIMS-V assessment of city vending machines and plan to implement a new healthier snack coding system. No new progress on concession stands.

Strategy 2-1.7 Identify and pilot at least one additional evidence-based intervention to increase access to healthy foods in under-served areas (mobile pantry/grocery, community gardens, SNAP 'Double Up Bucks' farmers market incentive program, etc). Strategy Type
Address Social Determinant / Health Inequity

Who's Responsible
Hunger-Free Dallas County

Target Date
Jan 1, 2018

<u>Report Date</u> Jun 1, 2017	<u>Progress on Strategy</u> <input checked="" type="checkbox"/> Complete <input type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
-----------------------------------	---

Progress notes: Piloted SNAP Double Up Food Bucks farmers market incentive program at the Perry Farmer's market; conducted focus group in Perry to assess turnout rates and barriers for participating in DUFB; Established new community garden which produced over 2,000 pounds of produce that was donated to local food pantries; increased number of mobile food pantries from 1 to 8 in Dallas County to help fill gaps in access to food

<u>Report Date</u> June 3, 2018	<u>Progress on Strategy</u> <input checked="" type="checkbox"/> Complete <input type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
------------------------------------	---

Progress notes: Hunger Free Dallas County conducted outreach to all Dallas County school districts about implementing school-based food pantries. Woodward Granger implemented a school pantry, and Redfield Middle School will implement in next reporting period.

Leveraged grant funding to collaborate with Waukee Area Christian Services, Van Meter Farmers Market, and a resident in Dallas Center to provide produce boxes to isolated, low-income, older adults.

<u>Report Date</u> June 13, 2019	<u>Progress on Strategy</u> <input checked="" type="checkbox"/> Complete <input type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
-------------------------------------	---

Progress notes: Hunger Free Dallas County continues to support school pantries in Woodward Granger, Perry, and Redfield. The Pop Up Produce stand was implemented in fall of 2018 bringing fresh produce to four communities considered food deserts. This program has expanded and received funding to continue year round in Minburn, De Soto, Redfield, and Dallas Center. DCHD continues to facilitate the Senior Produce Box program in Van Meter, Waukee, and Adel so homebound older adults can receive fresh, local produce.

<u>Report Date</u> May 21, 2020	<u>Progress on Strategy</u> <input checked="" type="checkbox"/> Complete <input type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
------------------------------------	---

Progress notes: Completed. Pop Up Produce and Senior Produce Box programs continue. Hunger Free Dallas County has grown into an independent coalition. A partnership with Perry Public Library has allowed for a new food rescue program to connect residents with free produce that would have been discarded.

Strategy 2-1.8 Explore the potential implementation of policies related to improving access to healthy foods Strategy Type
Environmental / Policy / Systems Change

Who's Responsible
Dallas County Health Department

Target Date
1/1/2018

Report Date

Jun 1, 2017

Progress on Strategy

Complete On track Off track No progress

Progress notes: Piloted the Double Up Food Bucks program, which the Healthiest State Initiative plans to expand across the state; Implemented the Healthy Corner Store; Explored policy approaches to incentivize and sustain healthy changes in small stores; Reached out to Casey's General Store to begin discussion about bringing healthy options to rural communities where Casey's is the only food outlet.

Report Date

June 3, 2018

Progress on Strategy

Complete On track Off track No progress

Progress notes: Dallas County Public Health and Hunger Free Dallas County have been working collaboratively with local food pantries to purchase and provide more fresh produce.

Report Date

-------------------------------------	---

Progress notes: Completion of multi-unit assessments was not a priority area for The American Lung Association in FY19.

<u>Report Date</u> May 21, 2020	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input type="checkbox"/> On track <input type="checkbox"/> Off track <input checked="" type="checkbox"/> No progress
------------------------------------	---

Progress notes: No new progress reported by the American Lung Association.

Objective 1-2	By 2021, reduce the percentage of Dallas County youth who currently use alcohol by 10%, as measured by the Iowa Youth Survey.	Baseline Year	Baseline Value	Target Year	Target Value
		2014	17%	7%	2021

<u>Report Date</u> Jun 1, 2017	<u>Year</u> 2016	<u>Progress on Objective</u> <input type="checkbox"/> Met, trend in right direction <input checked="" type="checkbox"/> Not met, trend in right direction <input type="checkbox"/> Met, no trend <input type="checkbox"/> Not met, no trend <input type="checkbox"/> Met, trend in wrong direction <input type="checkbox"/> Not met, trend in wrong direction
<u>Value</u> 9%		

Progress notes: This value is taken from the Iowa Youth Survey question "in the past 30 days, have you had at least one drink of alcohol?"

<u>Report Date</u> 06/03/2018	<u>Year</u> 2017	<u>Progress on Objective</u> <input type="checkbox"/> Met, trend in right direction <input checked="" type="checkbox"/> Not met, trend in right direction <input type="checkbox"/> Met, no trend <input type="checkbox"/> Not met, no trend <input type="checkbox"/> Met, trend in wrong direction <input type="checkbox"/> Not met, trend in wrong direction
<u>Value</u> 		

Progress notes: 2018 Iowa Youth Survey will be available next year.

<u>Report Date</u> June 11, 2019	<u>Year</u> 2018	<u>Progress on Objective</u> <input type="checkbox"/> Met, trend in right direction <input checked="" type="checkbox"/> Not met, trend in right direction <input type="checkbox"/> Met, no trend <input type="checkbox"/> Not met, no trend <input type="checkbox"/> Met, trend in wrong direction <input type="checkbox"/> Not met, trend in wrong direction
<u>Value</u> 8%		

Progress notes: In the 2018 Iowa Youth Survey, 8% answered yes to the question "In the past 30 days, have you had at least one drink of alcohol?"

<u>Report Date</u> May 21, 2020	<u>Year</u> 2019	<u>Progress on Objective</u> <input type="checkbox"/> Met, trend in right direction <input type="checkbox"/> Not met, trend in right direction <input type="checkbox"/> Met, no trend <input checked="" type="checkbox"/> Not met, no trend <input type="checkbox"/> Met, trend in wrong direction <input type="checkbox"/> Not met, trend in wrong direction
<u>Value</u> --		

Progress notes: The Iowa Youth Survey was not administered in 2019. The next survey is scheduled for 2020 (possibly 2021 with COVID-19 delays).

Strategy 1-2.1 Implement school-based alcohol prevention programming in at least three school districts Strategy Type
Counseling & Education

Who's Responsible
Employee and Family Resources Target Date
Ongoing

<u>Report Date</u> Jun 1, 2017	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
Progress notes: Employee and Family resources provides programming at Waukee, DC-G, and Perry regarding teen substance use; DCPHNS connected EFR with appropriate ADM contacts to implement programming in ADM school district.	
<u>Report Date</u> June 3, 2018	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
Progress notes: Employee and Family Resources continues to provide programming at Dallas Center-Grimes, Perry, and Waukee Schools regarding teen substance use. DCPH connected EFR with the Boone County Teen Maze so that EFR could learn more about the event and possibly implement in Dallas County in future.	
<u>Report Date</u> June 11, 2018	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input type="checkbox"/> On track <input type="checkbox"/> Off track <input checked="" type="checkbox"/> No progress
Progress notes: Due to contract changes, Employee and Family Resources stopped providing alcohol prevention programming effective December 31, 2018. Zion Prevention Services will be providing these services in the future and is currently reaching out to schools for future programming opportunities.	
<u>Report Date</u> May 21, 2020	<u>Progress on Strategy</u> <input type="checkbox"/> Complete <input checked="" type="checkbox"/> On track <input type="checkbox"/> Off track <input type="checkbox"/> No progress
Progress notes: Zion Recovery has begun prevention programming at Dallas Center Grimes schools and is building relationships with other schools and community partners to expand prevention programming throughout the county.	

Strategy 1-2.2 Implement media campaigns to increase awareness of underage drinking, associated consequences, and prevention strategies

Strategy Type
Environmental / Policy / Systems Change

<u>Who's Responsible</u>	<u>Target Date</u>
Community Coalitions	Ongoing
