Enjoy Frozen Fruits and Vegetables!

Frozen fruits and vegetables are just as nutritious as fresh ones. Not only are they cheaper, they're also pre-cut, which makes them convenient to add to any dish. Grab frozen mangoes from your freezer to top yogurt or blend in a smoothie.

Do you have kids at home under age 5? WIC may be able to help provide monthly groceries, including fruits and vegetables. Call 1-800-532-1579 for information on how to apply.
