School's Out for Summer (almost!)

Summer is a fun time for swimming, camp fires and bike rides. But the end of school may also mean a lack of healthy meals. The Summer Food Service Program offers free meals to children age 18 and under. Many locations also have fun activities for the kids. To find a meal site, text **"Food"** to **877-877** or go to https://www.fns.usda.gov/summerfoodrocks.

Play Your Way

Have you seen our campaign? Play Your Way One Hour A Day encourages kids to be active for at least 60 minutes every day. The message is about kids doing what they love to stay active and healthy. Find us online at www.idph.iowa.gov/inn/play-your-way or follow us on social media and share how your family plays. #PlayYourWay @IowaDepartmentOfPublicHealth
